

Web Based Race Entry Form Authorization

I request the option of submitting web based race entry forms for individual races and regattas requiring them. The following is my e-mail address, and the only e-mail address from which a web based race entry form will be sent for acceptance in my name: _____.

I agree that any web based race entry form I submit from the above address binds me to the terms and conditions stipulated on the form as if I had submitted and signed an actual hard copy form and presented it in person. I understand that any web based race entry form received from me by the SBYC must be acknowledged by the Racing Director by return e-mail to be considered accepted.

Please consider this authorization to accept web based race entry forms from me valid until I notify you in writing otherwise.
