

**Byers Staff Commodore's Trophy  
Deed of Gift**

The Byers Staff Commodore's Trophy, an antique brass ship's binnacle compass, is presented by Jack and Karen Byers to the Santa Barbara Yacht Club.

The trophy is to be awarded to the Harbor 20 yacht that wins the entire Wet Wednesday Racing Series each year.

If the Harbor 20 fleet ceases to exist, it shall go to the one-design fleet with the largest number of active participants that does not currently have a trophy.

Should the Board of Directors deem that there are no eligible one design fleets to compete for the trophy, the trophy may be rededicated.

Signature Jack Byers
