

DEED OF GIFT

FIESTA CUP PERPETUAL

This trophy was donated by Robert Kieding in 2005 and is the Perpetual Trophy for the annual Fiesta Cup Regatta at Santa Barbara Yacht Club. It is a large brass ship's running light on a wooden base. The trophy was originally called the "J/105 Invitational Trophy" as the first Fiesta Cup included only the J/105 one design fleet. As additional one design fleets were invited to Fiesta Cup in subsequent years, the name of the trophy name was changed to "Fiesta Cup Regatta". Names of first place winners in invited classes are engraved on the trophy.

Santa Barbara Yacht Club shall retain possession of the trophy. Take home trophies will be awarded per the Race Instructions each year. Should the Fiesta Cup Regatta become defunct, the Board of Directors may rededicate the trophy to a similar event with the approval of Robert Kieding and/or Ken Kieding.
