

DEED OF GIFT

DR. CLARENCE (DAN) HILLS MEMORIAL

This silver-plated hat, the hat having belonged to Dr. Hills, is presented to the Santa Barbara Yacht Club this 16th day of September, 1980 to be awarded as a trophy entitled:

"Dr. Clarence (Dan) Hills Memorial
Outstanding Person of the Year
SBYC"

Dr. Clarence Hills was a former member of the Santa Barbara Yacht Club from 1961 to 1968. He was dearly loved by many, for he was a fine, conscientious pediatrician, as well as kind and considerate friend, and a lover of boats, the sea, and the Yacht Club.

The recipient of the trophy is to be selected each year by a committee of 5 members chosen by the Board, not more than two of whom shall then be serving on the Board.

The trophy is to be presented to the member or spouse chosen as outstanding person of the year. It may be for any deed, whether one or many, in whatever category the committee feels that the designated person has earned the title of being the outstanding person of the year.

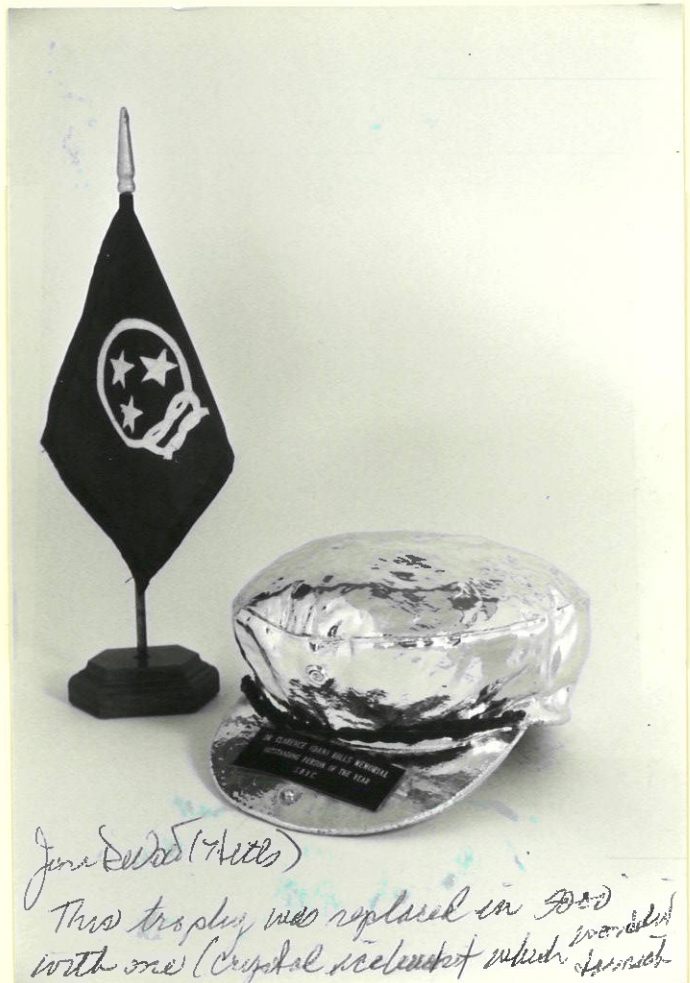

Dr. Hills would have also wanted to have bought a drink for the one chosen, and a drink will be bought for the "outstanding person" yearly by the relatives of Dr. Hills.

Those who have contributed to the cost of this trophy, are June Devoto, Emily Aasted, Lucia Essig, and Jane Bauman, nieces of Dr. Hills; Dr. Justin Hills and George Hills, brothers; Richard Cook, nephew; and Noel and Betty Cook, and Stan and Nelda Darrow, long-time friends of Dr. Hills.

This trophy will always remain as the "outstanding person of the year" award, since it deals with the contributions a person has made to the club and not as an award for racing success. Hence, this trophy can never become extinct, as a racing class of boats can, since there will always be people contributing to the club in one way or another.
