

RICE JACKSON PERPETUAL TROPHY

The Rice Jackson Perpetual Trophy is presented to the Santa Barbara Yacht Club as a memorial by the friends of Rice Jackson, a member of S.B.Y.C. until his death May 21st. 1974.

This trophy is designated as a season championship award to the Mercury Fleet and the names of the winners to be engraved annually on said trophy.

The method of scoring point totals and eventual champion shall be decided upon by the Santa Barbara Mercury Fleet with the approval of the Santa Barbara Yacht Club Race Committee. The trophy itself is to remain in the possession and custody of the Santa Barbara Yacht Club.

In the event that the Santa Barbara Mercury Fleet becomes inactive, is no longer affiliated with S.B.Y.C., or for any reason no longer requires this particular trophy, then the Santa Barbara Yacht Club Board of Directors may designate this trophy to be used as a perpetual award for any appropriate sailing event, fleet or class sponsored by the Santa Barbara Yacht Club.
