

SANTA BARBARA YACHT CLUB

ANNUAL DOMINO TOURNAMENT

Who played it first? We don't know, but King Tut played it. So, we do know that for several thousand years it has been enjoyed by multitudes of players.

Tournament rules:

2. The tournament will be played in the Fall of each year, and the final championship game will be played prior to the club's Annual Trophy Presentation.
3. The tournament chairperson will set the "rules of play", to stay within the historical significance of the game at the SANTA BARBARA YACHT CLUB, and the General Rules for the game of Dominos. The game of Dominos, historically played at the SANTA BARBARA YACHT CLUB is "San Francisco five-up".
4. The tournament chairperson will determine the dates for each elimination round of play.
5. The tournament chairperson will determine the setting of the players for the 1st round of play; the winner of all rounds of play will be determined by single elimination.

The final round will be played at the SANTA BARBARA YACHT CLUB, clubhouse, at a date and time designated by the tournament chairperson and will be played by "San Francisco five-up" rules.
