\*Race back start time is taken by each individual competitor as they pass through the Goleta Pier start line.
- 1600 Last shuttle boat rides
- 7.2 Order of starts will be posted on the notice board by 0940 hours.

#### **9. COURSE**

Race One (The Goleta Beach Race) - The course for race 1 will be from the Santa Barbara Yacht Club starting line to the finish line located at south of the end of Goleta Pier. The course length is rated at 7.0 nm for PHRF classes and 8.31 for CHRF.

Race Two (The Race Back) – The course for race 2 will be from the start line located at the south end of the Goleta Pier to the finish at the Santa Barbara Yacht Club finish line. The course length is rated at 7.0 nm for PHRF classes and 8.31 for CHRF. This changes the NOR.

#### **12. START**

- 12.1 For race one, the Start will be between marks F and G as shown on the current [SBYC Course Chart](#). Starts shall be run in accordance with RRS 26 with the warning signal given five (5) minutes before the start. The start signal for one class will be the warning for the following class.
- 12.2 For race two, the Start line will be between the course side of an orange inflatable tetrahedron at the starboard end and the Goleta Pier at the port end. There will be no starting signals. Each boat shall take their own start time as they pass between the pier and the orange mark and report their starting time via email to [racings@sbyc.org](mailto:racings@sbyc.org). This changes the NOR.

#### **13. FINISH**

- 13.1 For race one, the finishing line will be between the course side of an orange inflatable tetrahedron at the port-end and the Goleta Pier at the starboard end. In the event that the Race Committee is not present at the finish line or a finish mark is missing but another remains in

place, US Sailing prescribes that ‘...the finishing line is a line through the remaining mark at a 90 degree angle to the last leg and of the shortest practicable length. If the race committee is absent when a boat finishes, she should report the race committee her finishing time and her position in relation to nearby boats at the first reasonable opportunity.’ ***Boats are advised to give plenty of room to fishing lines when passing the Goleta Pier.***

- 13.2 For race two, the finishing line will be between marks F and G as shown on the current [SBYC Course Chart](#). Each boat shall take their own finish time and report it via email to [racing@sbyc.org](mailto:racing@sbyc.org).

## **17. SCORING**

- 17.1 Race one shall be ‘The Goleta Beach Race’. For race one, PHRF finish position will be calculated on the basis of corrected times using each boat’s Area I RLC handicaps. CHRF finish positions will be factored using the most recent CHRF handicaps. One-design class scoring will be in order of finish.
- 17.2 Race two shall be a separately scored series. For race two, PHRF finish position will be calculated on the basis of corrected times using each boat’s Area I OWC handicaps. CHRF finish positions will be factored using the most recent CHRF handicaps. One-design class scoring will be in order of finish.
- 17.3 Each race shall be scored completely independently of the other and will be two separate ‘series’. Race one (The Goleta Beach Race) shall be the race that counts towards perpetual trophies.
