**3. FORMAT**

Commodores will sail borrowed Harbor 20's (main and jib only) from the SBYC fleet. A commodore will be paired with other commodores as a scored team of boats. Teams will be made by the regatta chair as equitably as possible and announced at the competitor briefing based on sign-ups. If there are an odd number of commodores, then one team will be a team of three commodores. Team placements is not grounds for redress.

18.1 The low-point scoring system of Appendix A will apply except that a team's series score will be the total of all their race scores. A race score is defined as the average of a team's finishes in any given race. One race must be completed to constitute a series.

18.2 Each commodore will sail their own boat but will be teamed up with at least one other commodore's boat for an average team score for each race. (Example: Team A finishes 1<sup>st</sup> and 4<sup>th</sup> in the race = 5 points / 2 = 2.5 points and team B finishes 2<sup>nd</sup>, 3<sup>rd</sup>, and 5<sup>th</sup> in the race = 10 points / 3 = 3.33 points). If there are an even number of commodores, then each team will consist of two commodores. If there are an odd number of commodores, then one team will be a team of three commodores. Team placements is not grounds for redress.
