Boats and Dollies

- Boats and dollies must be stored in the designated spaces only as shown in the above map.
- No boats, dollies, trailers, groups of people, or cars may impede traffic in the launch ramp area for any reason. Please do briefing & debriefing sessions on the beach.
- All rigging and unrigging of boats must take place in the designated areas.
- Boats and/or dollies may not be left at the launch ramp dock, except when actively launching or retrieving for the day. Dollies must be returned to the designated storage area after launching.

Parking

- Park cars only in designated single vehicle (white striped) parking stalls in the main harbor parking lot (see map).
- Do not park single vehicles in yellow stalls. These are reserved for trailers and for vehicles attached to trailers.

- All parking fees are the responsibility of individual competitors.

Trailer Parking

- Trailers must be parked in designated trailer (yellow striped) parking stalls.
