

# 2016 Safety at Sea Seminar

## Hosted by the Santa Barbara Yacht Club

Saturday, April 30<sup>th</sup>, 8am-4pm  
Held at Santa Barbara Maritime Museum  
113 Harbor Way, Santa Barbara, CA 93109

The basic US Sailing-sanctioned 8-hour seminar contains a host of useful information intended to orient you and your crew toward a safer voyage. Even where you "already know that," many participants find that organizing the information in a consistent fashion and with a common vocabulary helps the crew as a whole manage a safer and more efficient journey.
