

Wet Wednesday Fun Race (March 15, 2023)
Special Race Instructions

1. **During the Fun race on Wednesday, March 15, all boats must perform a Man Overboard (MOB) drill or will be scored DNF.**
 - A. The MOB drill shall be performed after your starting signal and before crossing the finish line.
 - B. The MOB drill shall not be done within 100 yards of any mark or the start/finish line.
 - C. Each boat must drop the PFD vertically off their stern into the water. No tossing or throwing of the PFD.
 - D. Prior to the PFD drop, each boat must have a crew member stand at the stern waving the PFD above their head, signaling to nearby boats her intention to perform the MOB drill.
 - E. Each boat must continue until the PFD is 2 of her boat lengths away before returning to retrieve the PFD. Boat hooks may be used in retrieving the PFD.
 - F. No boat shall intentionally interfere with another boat's retrieval effort.
 - G. A boat must retrieve its own PFD. A boat running over another's PFD shall be scored a DNF.
 - H. Each boat must keep time of their MOB drill. Time starts upon the PFD hitting the water and stops when the PFD is back on board. Time will be in seconds.
 - I. Boats must report their retrieval time to racing@sbyc.org or text to (310) 850-5213 with the information below, upon returning to the club.
 - J. The race committee will award special trophies for the best and worst recovery times, and any other notable efforts.
