Welcome racers, to the 50th running of the Santa Barbara to King Harbor Race!

The officers, directors, members, and staff of the Santa Barbara Yacht Club wish you all an enjoyable, safe, and memorable race at this time-honored tradition!

Race chairs this year are Rob Miller from Santa Barbara Yacht Club and Rose Vullo from King Harbor Yacht Club. Together they have worked hard preparing for this year's event. Each of the chairs has many volunteers contributing to provide a great experience for the participants. SBYC handles the pre-race prep, entries, merchandise sales, program development, Thursday BBQ party and the race start. KHYC handles the finish, welcome party, shrimp dinner, trophies and the awards ceremony. Both clubs manage docking accommodations before and after the race. Please join me in thanking our many volunteers for their hard work.

I would also like to thank the Santa Barbara Waterfront Department, Erik Engebretson, Jeanette Prusinski and Aundre Guillen, for accommodating the race boats with dock assignments. As always, the professional staffs of the Santa Barbara Yacht Club and King Harbor Yacht Club deserve our appreciation for their hard work in making this a successful event.

Additionally, I would like to acknowledge our generous race sponsors this year. Their generous support helps make this event possible.

To the skippers and crews of this year's race, we extend a warm welcome to Santa Barbara Yacht Club. We will make every effort to ensure that your visit is pleasurable – from the BBQ and live music on Thursday event to the Friday morning breakfast and coffee.

Have a SAFE, fun and speedy race!

Dear Santa Barbara to King Harbor Racers:

Welcome to Santa Barbara Harbor and the 50th running of the Santa Barbara to King Harbor Race! While many of you have been here before, for some this may be your first visit. To accommodate you, we have enclosed a map of the Waterfront, including places to provision your boat, grab a meal or buy a trinket to remember us by. In addition, we appreciate your attention to the following details during your visit to our harbor:

1. Santa Barbara Harbor's Clean Marina Program includes a required dye-tabling of your Marine Sanitation Device (MSD) upon arrival. Please check in at the Accommodation Dock for a quick MSD check before receiving your slip assignment from the race committee (or from Harbor Patrol if you are an early arrival) and before going to your assigned slip.
2. Remember, free sewage pump-outs (Marina One and Fuel Dock) and a bilge-water pump out (Fuel Dock) are available for your use.
3. Harbor Patrol is located above West Marine. Look for the American flag.
4. If you want a keycard for access to marina facilities, you may purchase one at the Harbormaster's Office.
5. Slip rates for vessels under 70' are \$1.50 per foot per night; 70'-plus are \$2.00 per foot per night.
6. Alcohol use is confined to the marinas and is not allowed in public areas outside marina gates.
7. Please don't lay shore-power cords across marina walkways—on the dock or overhead. Boats rafted together or assigned to walkways will not have shore-power access.
8. Questions? Call Harbor Patrol at (805) 564-5530, or hail them on Channel 16 VHF, then switch to Channel 12.
9. If you experience facilities problems at your berth, call Maintenance staff at (805) 8971974, or visit the Harbor Patrol Office in person.

Thanks again for visiting our beautiful harbor. I wish you all a safe, speedy and enjoyable trip to King Harbor.

Sincerely,

Erik Engebretson

Santa Barbara Facility Information

**All facilities are also shown on 'Attachment H – Santa Barbara Harbor Map'*

BOAT DELIVERY AND ARRIVAL

Santa Barbara slip reservation may be done through the online entry process available online at <https://sbyc.org/sb-kh/>. Dockage will be available for pre-registered boats at the fee of \$1.60 per foot per night for boats under 70 feet in length and \$2.10 per foot for boats 65 feet and longer. The boat arrival date and accurately calculated fees must be included with each entry. Unpaid entries will not receive dock space.

Santa Barbara - Upon arrival by sea to the Santa Barbara Harbor, each boat is asked to call the Santa Barbara Harbor Department on VHF Channel 12. The Harbor Department will ask boats to proceed to the Accommodation Dock at the west end of the harbor directly in front of the Harbor Department to receive a dye tab in their tank. Competitors may then radio the Santa Barbara docking committee on VHF Channel 78 to receive their slip assignment. In some circumstances due to the size of a boat, the harbor department may ask the vessel to go directly to their assigned slip over the radio. As a policy, the Harbor Department and docking committee do not release slip assignments in advance.

King Harbor - Upon finishing in Redondo Beach, yachts requiring guest moorage will be met by KHYC docking committee boats to be escorted to a mooring location. The docking committee will monitor Channel 78. Boats should be equipped and prepared to anchor if necessary.

MARINA GATE ENTRY

The Marina One entrance is located just a short jaunt down from SBYC as shown in 'Attachment H – Santa Barbara Harbor Map'. Marina gate cards can be purchased for \$12 each from the harbor department (located next to SBYC). If you have a marina gate card from prior visits, bring it with you as it can be reactivated at the harbor department office free of charge. The Marina One gate will be unlocked from noon on Thursday until noon on Friday.

YACHT CLUB FACILITIES

Yacht club facilities will be open to all competitors as stated on the 'Schedule of Events'. The Santa Barbara Yacht Club accepts credit card charges for visitors.

RESTROOMS / SHOWERS

The Marina restrooms are accessible with a marina gate card. The yacht club restrooms are available during regular operating hours or with a SBYC parking lot gate card after hours. Public restrooms are also available adjacent to the harbor public parking lot. Most restroom facilities have showers.

ICE & SUPPLIES

There is a Harbor Market located adjacent to SBYC with ice and other supplies available for purchase. There will be ice available for competitor boats on the day of the race in the parking lot of SBYC.

VEHICLE PARKING FOR BOAT OWNERS, CREW, AND SPECTATORS

SBYC parking lot is reserved for member only parking. Boats arriving in Santa Barbara by trailer and hoisting into the water may be permitted in the SBYC parking lot for a short period of time to prepare the boat to launch. Call the front desk at (805) 965-8112 for entry into the lot in this special circumstance.

For crew, spectators, and other guests, there is a public parking lot on the north side of the harbor as shown in 'Attachment H – Santa Barbara Harbor Map'. All day parking costs \$12 per vehicle (fractional costs for less time stayed). Trailer parking costs \$8 per day. For those who are willing to walk a little further, there is limited free parking in the Pershing Park parking lot (on the west side of Castillo Street, just north of the Pershing Park baseball diamonds).

LAUNCHING – HOIST OUT

For boats under the weight capacity of one ton, you may hoist in or out of the water via the SBYC hoist. The SBYC hoist is located on the pier closest to the yacht club (gray in color). The hoist key is available at the front desk of SBYC.

The 4-ton city hoist is beige in color and located at the end of the long pier next to the SBYC hoist and runs on quarters. However, it is a very long pier to back down and you are likely to encounter considerable commercial traffic and tourism.

For boats above the hoists' capacities, Harbor Marine Works is the only local boatyard capable of launching. You can find more information at <http://www.sbboatyard.com>. The next closest launch site is Ventura Harbor Boatyard – <http://www.vhby.com>.

You may also ramp launch your boat at the public launch ramp. All launching options are shown in 'Attachment H – SB Harbor Map'.

TRAILER STORAGE

There may be limited trailer storage in the SBYC parking lot depending on the date of request. Please email the SBYC Race Director, Brad Schaupter at racing@sbyc.org to arrange for a parking spot and entrance into the lot. Trailers that need to stay for more than 24 hours may need to stay in the SB Harbor public parking lot.

ON SHORE REGATTA HEADQUARTERS

On Shore Regatta Headquarters will be located at SBYC fleet room (downstairs).

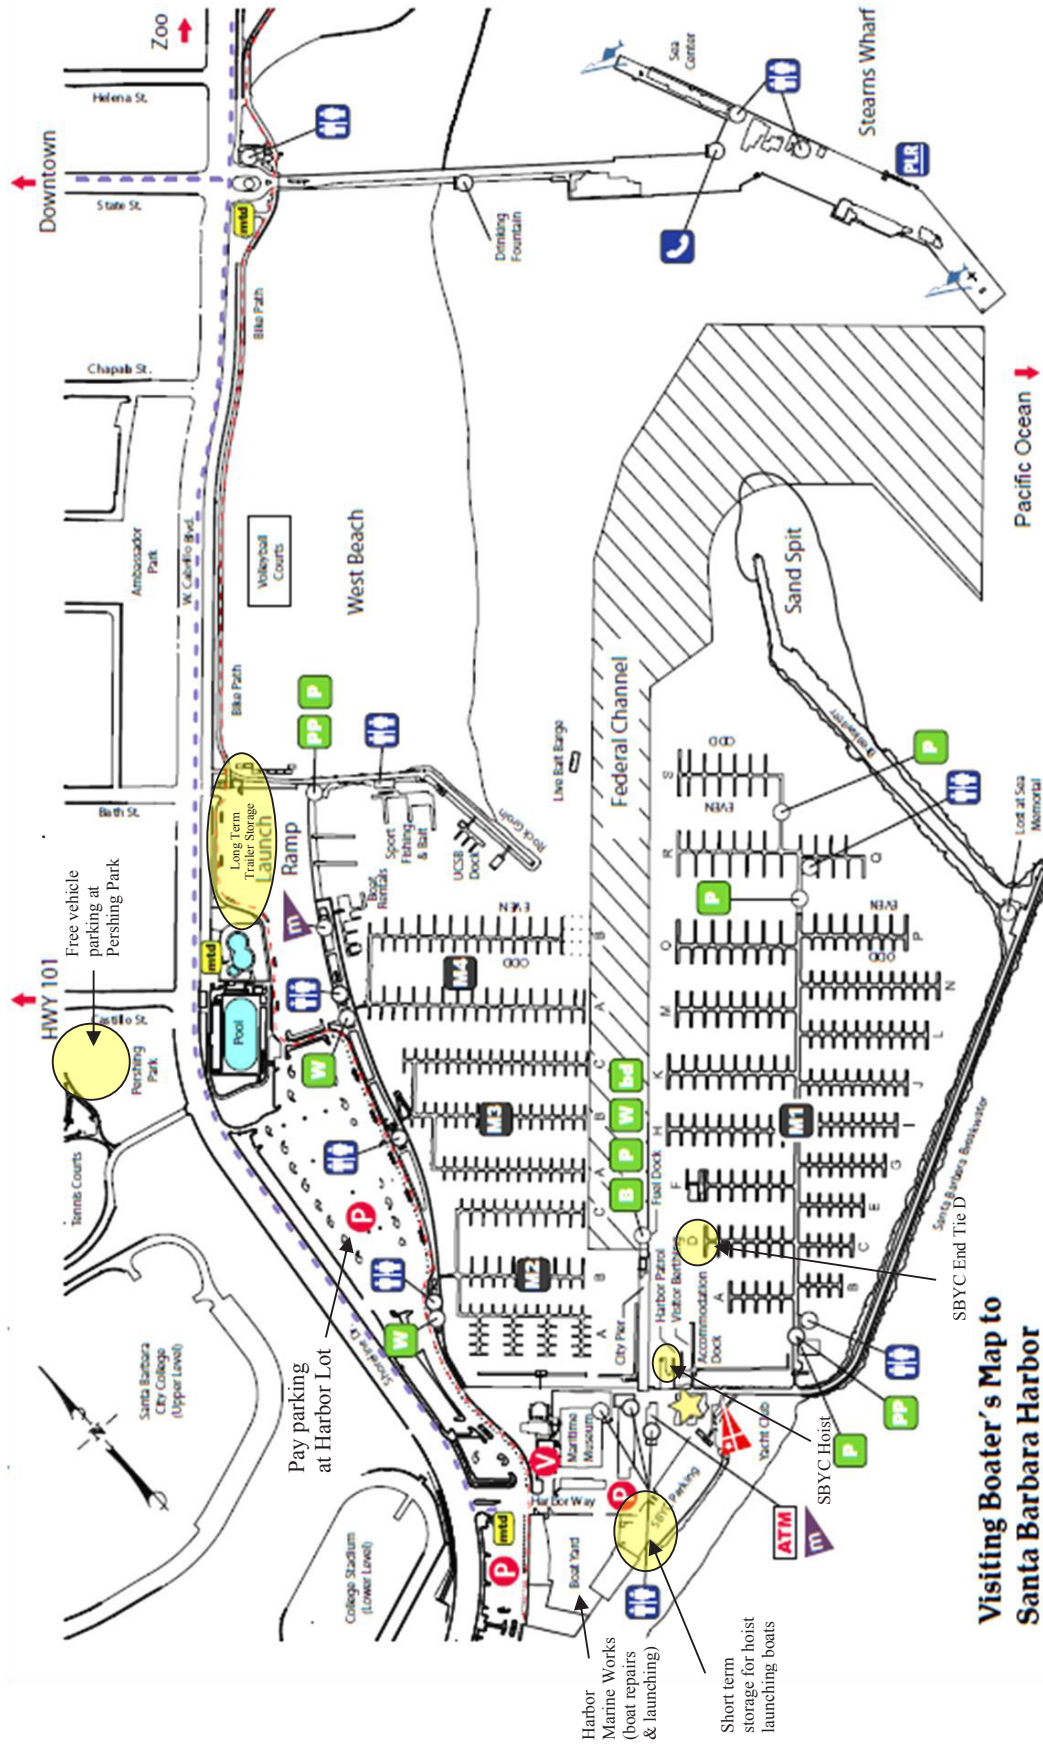

RIGGING / SAIL REPAIRS / BOTTOM CLEANING

Harbor Marine Works is located adjacent to the SBYC parking lot. Scrub a Dub Dive Service is available for bottom service (scrubadubdive@gmail.com).

LODGING

There are several hotels on Cabrillo Boulevard within walking distance of the regatta site. Other more affordable options are also available in Carpinteria, Santa Barbara, or Goleta within a 15 minute drive. Visit: <http://www.santabarbaraca.com/hotels-and-hideaways/> for a list of area hotels. Camping is prohibited in the Santa Barbara Harbor parking area. Please visit: <http://www.santabarbaraca.com/activities/camping/> for a complete list of nearby campsites.

Finishing yachts requesting dockage shall have on deck ready for deploying, an anchor and sufficient ground tackle. Failure to comply could result in being denied docking privileges.

CAUTION: 1) There have been past circumstances where vessels after finishing have remained in the finishing area resulting in “close calls”. 18. ABSENCE OF RACE COMMITTEE

US Sailing prescribes that in the absence of the Race Committee; a boat shall take her own time when she finishes and report the time taken to the Race Committee as soon as possible. (See the attached King Harbor chartlet).

19. TIME LIMIT
