

# 2025 SBYC STAFF SAIL-OFF

Join us Wednesday, October 22 for the second annual Staff Sail-Off!

***What is it?...***

We will pair you with an experienced sailor on a Harbor 20 (pictured above). 2-3 staff members will go on each boat. We will give you a quick learn to sail course on land, then your experienced sailor will take you out on the water and coach you around a race course.

***Why?***

The goal is fun. This is what the people we serve love to do and they really want to share what they love with you. If at any point it is not fun for you, you can drop out of the race and head in. We will go over the details in our safety briefing, so do not worry and remember we will be just having fun sailing.

***When and where is it?...***

Here's the Schedule

3:00-3:30pm – How to sail / safety briefing with Race Director, Brad in SBYC Fleet Room

3:45pm – Boat assignments and introduction to your 'coach' for the day in Fleet Room

4:30pm – Races (20-minute races with one boat against one boat)

6:15pm – Awards and after racing celebration at SBYC
