

Santa Barbara Yacht Club (SBYC) SEASON FLEET CHAMPIONSHIPS

Centennial Regatta Qualification Guidelines – 2019

The Organizing Authority for the 2019 SBYC Season Fleet Championships will be:
The Santa Barbara Yacht Club (SBYC), 130 Harbor Way, Santa Barbara, CA 93109

EVENT

The Santa Barbara Yacht Club Season Championships apply to each recognized SBYC fleet. Each fleet decides which regattas during the calendar year will be used to make an overall series that defines their season championship. The winner of each fleet's season championship, who meets eligibility requirements, advances on to sail in the Centennial Regatta, also known as the All Fleet Club Championship for a shot at the Centennial Trophy. SBYC recognized fleets include PHRF A, PHRF B, PHRF C, Melges 24, J/105, J/70, Harbor 20, Club Handicap Racing Fleet (CHRF), SBYC Youth fleet, and SBYC Women's fleet.

1. RULES

- 1.1 This series will be governed by the rules as defined in *The Racing Rules of Sailing*.
- 1.2 The Sailing Instructions for each regatta will take precedence if there is a conflict between these guidelines and the regatta's sailing instructions.

2. ELIGIBILITY AND ENTRY

- 2.1 Eligible skippers shall be considered entered in the fleet's Season Championship by entering and competing in two of the regattas listed for its fleet's Season Championship. Entry forms are available at the front desk of SBYC or online at <https://sbyc.org/racing-calendar>.
- 2.2 To be eligible for any PHRF Fleet Championships, a boat must have a valid and current PHRF certificate as outlined in each event's sailing instructions.

3. FEES

There are no fees associated with entry into each fleet's SBYC Season Championship.

4. QUALIFYING SERIES AND FINAL SERIES

- 4.1 Each fleet's season championship will serve as the qualifying series for the final series – the 'Centennial Trophy - All Club Championship'. The skipper of each winning fleet will advance to the final series upon meeting Final Series Eligibility requirements.

Final Series Eligibility

- 4.2 The Sail Policy Committee will be responsible for determining the eligibility of each Skipper selected to participate in the Centennial Trophy – All Club Championship, as pertains to instructions 2, 4.3, 4.4, 4.5 and 4.6, and the Centennial Trophy deed of gift.
- 4.3 The skipper's name must be listed on the race entry form for races which determine eligibility, per the Centennial Trophy Deed of Gift.
- 4.4 Eligible skipper must be a member of SBYC who has skippered the yacht having the best racing record during the current year, in each fleet recognized by and raced under the auspices of the SBYC, per the Centennial Trophy Deed of Gift.
- 4.5 The Skipper must have been skippering the yacht of selection during the majority of the sailing events used to determine eligibility, per the Centennial Trophy Deed of Gift.

2019 Santa Barbara Yacht Club Centennial Qualification Guidelines and Season Championships

- 4.6 For One Design Fleets to be eligible to qualify a Centennial Trophy – All Club Championship representative, a SBYC fleet must have three or more boats from their fleet including at least two SBYC members boats compete in ‘a majority of the events’ outlined in their season championship schedule.

a.) Example #1: Six regattas are selected for X Fleet’s championship:

Regatta #1	Regatta #2	Regatta #3	Regatta #4	Regatta #5	Regatta #6
3 boats (2 are SBYC)	5 boats (1 is SBYC)	3 boats (2 are SBYC)	0 boats	2 boats (2 are SBYC)	6 boats (4 are SBYC)

Because X Fleet only had two SBYC boats at three of six events (not a majority), they cannot qualify a centennial representative. They will however still have a scored season championship for their fleet despite not meeting the eligibility requirements for qualifying a Centennial representative.

b.) Example #2: Five regattas are selected for Y Fleet’s championship:

Regatta #1	Regatta #2	Regatta #3	Regatta #4	Regatta #5
3 boats (2 are SBYC)	1 boat (1 is SBYC)	3 boats (2 are SBYC)	1 boat (1 is SBYC)	3 boats (2 are SBYC)

Because Y fleet had at least three boats (two of which were SBYC boats) compete in a majority of their events, then they can qualify a Centennial representative. Additionally, regatta #2 and regatta #4 will count towards scoring for this fleet.
